

Credit Acceptance Form
For
High School Students

Students entering CCS in grades 10-12 will need to submit this form, if they have completed any high school courses at home or in the community. Students below grade 10, who have completed high school level courses, will also need to submit this form for credit acceptance consideration.

For one-half credit the student should have completed 60-75 hours. One credit will be 120-150 hours of participation. Course titles should be specific such as Biology, Algebra, Drawing, etc. instead of generalized titles of Science, Math, and Art. Hours need not be counted for courses that followed a set curriculum.

Grade: _____ (Ex: 9th) Days Attended: _____ Year: _____ (Ex: 2007/08)

Course Title	Credit Amt	Final Grade	Curriculum used
