# Semester Reporting Form

The Semester Reporting Form is to be used by families who have chosen to report twice-a-year to CCS. Parents should submit a report once 90 days of actual school is completed. A second report will be due once the child has completed 180 days of school. Those reporting only once a year should use our Annual Reporting Form. Along with this form, parents will need to include a lesson plan/journal (or standardized test scores) and samples of the student's work. High school students reporting non-traditional courses (band, organized sports, driver's ed, etc.) will need to include a Non-Traditional Credit Worksheet. CCS' grading scale is required.
